Dynamiq motor yacht GTT 115 for sale

2 минуты

The 35 metre motor yacht GTT 115 has been jointly listed for sale by [Edmiston & Company](#) with [Northrop & Johnson](#).

With naval architecture by [Vripack](#), GTT 115 was built in aluminium by Italian yard [Dynamiq](#) and boasts exterior styling and interior design by [Studio F.A. Porsche](#) with delivery in 2017. RINA classed and MCA compliant, accommodation for six guests is all below decks with three en suite cabins comprising a master suite and two doubles. There are also quarters for up to six crewmembers aboard this [yacht for sale](#).

Her main saloon combines exotic woods and chic furnishings to create a cosy and inviting lounge with a circular dining area, making this an ideal space for relaxation and entertaining.

Key features include a vertical prow and a [superyacht spa pool](#) on the upper deck, which is situated just forward of the shaded al fresco dining area. This expansive 1,022 square foot deck offers guests all they need for outdoor living, with a sunbathing area, bar and barbecue space, al fresco dining and even a home theatre.

Power comes from a pair of 1,650hp MAN V12 diesel engines twinned to Fortjes pod-drives and three variable speed generators for a top speed of 21 knots and a maximum

cruising range of 3,400 nautical miles. Being a hybrid yacht, she is capable of cruising at 6 to 7 knots in silent mode.

As a new yacht, the GTT 115 will enjoy full yard and manufacturer warranties valid from the date of purchase.

The Dynamiq [GTT 115](#) is asking €13,950,000.
