Porsche is trying its hand at yacht design.

Studio F.A. Porsche, the automaker's design house, has designed a hybrid superyacht that will make its debut at the Monaco Yacht Show on September 27. The yacht was constructed by Dynamiq, a luxury yacht builder.

Called the GTT 115, the yacht is being pitched as a Gran

Turismo for the seas. Scroll down for a closer look:

The superyacht is a hybrid that Dynamiq says offers efficient fuel consumption for 3,400 nautical miles. It can cruise at 21 knots.
