## 1 - *Jetsetter*

The much-anticipated 35th America's Cup kicked off on May 27 in Bermuda and hundreds of people have flocked to this tiny spot in the North Atlantic Ocean with their yachts for the occasion, which will continue throughout June. Additionally, Boat International hosted the America's Cup Superyacht Regatta from June 12-15, meaning that a number of the stunning participants are still being photographed across the island.

1. *Jetsetter* The 38.6 metre superyacht *Jetsetter* has been spotted a number of times watching the racing in Bermuda since June 10. She is currently located at the heart of the Great Sound alongside *Asahi*, *Rena* and *Musashi*. Delivered last year by *Dynamiq*, an official supplier of the America's Cup, *Jetsetter* can sleep up to 10 guests in four cabins and has an interior designed by *Bannenberg & Rowell*. She is currently for listed sale and was chartered by the ACEA from June 9 until the final race day.

### 3 - *RhinoRhino*

Currently located in Caroline Bay Marina, the 46.94 metre superyacht Rhino is moored alongside the likes of 47.7 metre Arabella, 31 metre Race For Water and 24 metre Aiyana.

Delivered in 1998 by Admiral Marine and last refitted in 2015, Rhino will most likely spend the summer months in Bermuda, the Bahamas or New England. Caroline Bay sits within the Little Sound and can host yachts up to 90 metres. Its perfect positioning for viewing all the action of the 35th America's Cup makes it one of the best new marinas to discover around the world. The rest of the Caroline Bay development, which will include a hotel, restaurants, luxury residences and spa, is due for completion in April 2018.

#### 4 - JoJo

As Emirates Team New Zealand battled with the windy conditions during yesterday's (6 June) first race against Land Rover BAR, the 50m superyacht Jo got as close as possible to the action. The yacht was spotted on the stormy waters behind the Kiwi Team while she cruised around Great Sound. The second race of the day proved to be even more dramatic for the New Zealand team when their catamaran capsized in the start box.
