Dynamiq is proud to announce its official sponsorship of the Yacht Club de Monaco Malizia team led by skipper Pierre Casiraghi, Royal family member and active Dynamiq supporter. The initiative with the Malizia team consolidates Dynamiq's sponsorship of some of the world's most thrilling sailing regattas as official supplier of the 35th America's Cup and the Melges 40 Grand Prix team Synergy GT and supports Monaco Solar boat annual races.

“Dynamiq has a strong sailing spirit and supports innovation in the world's most thrilling sailing regattas, both in its hometown of Monte Carlo and globally. Our sponsorship of the Malizia team is just the latest example of our close relationship with the Yacht Club de Monaco and Pierre Casiraghi, who share our passion for benchmarking innovation and performance,” says Sergei Dobroserdov, founder and CEO of Dynamiq.

Pierre Casiraghi is Vice President of the Yacht Club de Monaco and together with Bernard d'Alessandri, YCM General Secretary, attended the keel laying in Viareggio of the new Dynamiq GTT 115 designed by Studio F.A. Porsche which will be presented during the upcoming Monaco Yacht Show.
